

The Potential that Exists in Everyday Waste

Everyday 4.6 pounds of waste per person are generated in the United States. At Goodwill of Northern Michigan, we are in the practice of reusing, recycling and repurposing some of this waste in some very creative ways – all with the goal of changing lives for the better.

Take, for instance, the coffee used to make your morning brew. We're all familiar with coffee grounds— but did you know that they also can be made into paper? That's just what happens at Goodwill's Paperworks Studio, where paper artisans take the coffee grounds and incorporate them into unique, handmade cards. They do the same with blue jeans, wool sweaters and other unique items. Every card produced and sold provides employment and job skills for disabled and disadvantaged individuals. You can see this unique line of cards at Paperworks Studio's newly designed website, www.paperworkstudio.com.

Goodwill's Food Rescue program is another good example. Each day, Food Rescue works to ensure that soon-to-expire perishable food, meat, produce and beverages from area grocery stores, restaurants, caterers and farmers markets does not go to waste, but rather, is put to good use providing nourishment to those who otherwise might go hungry. After picking up the food each day, Food Rescue delivers it to area food pantries, community meals and shelters free of charge.

Frank Spranger, Goodwill Store

Since October 2008, nearly 911,000 pounds of food have gone to the tables of people in need instead of in landfills.

One of Goodwill's most recognizable repurposing programs is our retail stores.

Sales of gently-used, donated items from Goodwill's retail locations in Cadillac, Gaylord, Petoskey and Traverse City are used to fund the many Goodwill programs that help people overcome barriers to independence. What you may not know, however, is that each Goodwill retail store also provides jobs and job training programs to individuals. In addition, the stores also salvage and recycle any clothing and footwear that are not salable or does not sell, along with metal, cardboard, books, computers and components.

Goodwill Food Services is Serving up Market Fresh Foods and New Catering Opportunities

Our Food Services department has expanded with the opening of Good Willies Café, located within the Traverse City Goodwill retail store. The café serves up a variety of healthy and fresh options, including breakfast and lunch specialty sandwiches and wraps to staff, shoppers, and the public Monday through Saturday, from 9 am – 5 pm.

In addition to the opening of Good Willies, we have also expanded our catering services. Catering is available for your business meetings or event needs. Our Food Service specialists would be happy to work with you to create a customized menu to meet your specific needs.

Contact Food Specialists Tammy Moore or Jody Waldron at (231) 995-7745 for more information.

Artist rendering of Goodwill's Veterans Transitional Housing Community

We Need Your Support to Complete this Project!

The total project construction cost is \$1.8 million. We have secured about \$1 million in federal grants, plus a \$400,000 commitment approved by Goodwill's board of directors. We need the support of individuals, organizations and foundations from our community to raise the remaining funds before this fall. There is already a waiting list of local homeless veterans who are eager to be a part of this housing community. Please help us serve homeless veterans by making a donation to provide housing, dignity and stability to our local heroes who are facing challenges on the home front.

Your support will provide safe housing and help veterans transition from homelessness to independent living by working to secure:

- All available benefits from the Veterans Administration, Social Security/ Disability, etc.
- Appropriate employment and job skills training.
- Permanent housing in the community of their choice.

Assistance will also be provided to veterans coping with common challenges such as Post Traumatic Stress Disorder, substance abuse issues and/or mental health concerns.

Please think of the veterans in your life, and those who have given so much for our country and freedom. Call (231) 995-7719 to pledge your support, or visit www.goodwillnmi.org/vets for more information or to donate online.

SAVE THE DATE:

Veterans Transitional Housing Community Dedication

Date: Saturday, September 24, 2011

Time: 11:00 am

*Patriot Drive (Murner Road and M-32), Gaylord
Open House immediately following dedication.*

Elizabeth Post Recognized as Outstanding Woman Leader

Elizabeth Post, Goodwill Inn Program Director

Congratulations to Elizabeth Post for receiving the 2011 Outstanding Woman Leader Award (OWL) from the Zonta Club of Traverse City! The goal of this award is to publicly recognize the contributions of a woman in the areas of community service, outstanding achievement or special contributions to womankind. Liz was selected as the 2011 OWL winner because of her leadership in running the Goodwill Inn and her contributions to our community at large.

The OWL award is evidence that Liz's hard work has not gone unnoticed by the thousands of people who have at one point known her at the Goodwill Inn, by her dozens of colleagues at Goodwill or by all of the people's lives that she has touched through community involvement.

Drive It Tow It Donate It

Paperworks Studio Partners with Lee Jeans

Paperworks Studio has teamed up with Lee Jeans to release an exclusive line of Lee Jeans recycled denim greeting cards. The one-of-a-kind handmade cards will be made by Paperworks Studio's exceptional team of artists with special needs and disadvantages.

Paperworks Studio is very excited to have such an iconic brand like Lee Jeans help them grow.

In addition to receiving denim from Lee Jeans for the cards, each Paperworks Studio artist involved in the creative process also received a new pair of Lee Jeans. They love their new jeans and we've had people already say their next pair of jeans will be Lee.

Paperworks Studio has also been busy developing and expanding its line of one-of-a-kind recycled cards. The new card lines include flower, coffee, beer and sweater cards.

Check out these great new cards at their newly re-launched website, www.paperworkstudio.com and become a Paperworks Studio fan on Facebook.

The Potential that Exists in Everyday Waste...continued

Missy Marsh, Paperworks Studio

In addition to funding its many programs, Goodwill's initiatives help ensure the environmental integrity of our communities. In the last year, Goodwill has reduced over 3.5 million pounds of potential waste in Northern Michigan.

With every car donated, store donation and purchase, pound of food rescued or Paperworks Studio card purchased, you help Goodwill help others to reach their full potential.

Food Rescue Fast Facts

Quickly approaching 1 MILLION pounds of food rescued!

Mission

The collection and distribution, free of charge, of soon-to-expire perishable food and beverages from available food sources (e.g. grocery stores, restaurants, caterers, bakeries, farmer's markets, etc.) to people in need through the areas' food pantries, shelters, and community meal programs.

Established

October 20, 2008 to reduce hunger and food waste in northwest Michigan.

Partners

Food Donors – 106
Recipient organizations – 48

Service Area

Antrim, Benzie, Grand Traverse, Kalkaska and Leelanau Counties – 4,627 miles

Benefit

Through June 2011, Food Rescue has prevented nearly 911,000 pounds of food/beverages from ending up in area landfills.

Leadership

Volunteer Advisory Board of 14 passionate community members.

Helping to ensure that good food does not go to waste while good people go hungry!

“Goin’ to the Fair” – and Filling the Freezer!

A homemade meal can go a long way toward helping Goodwill Inn guests regain their spirit and independence.

You can make these meals possible by helping to fill the Goodwill Inn’s freezer with fresh, local meat from the Northwest Michigan Fair’s 4-H Livestock auction on August 11. The 2011 Fill the Freezer program is simple: purchase livestock at the auction, and donate it to the Fill the Freezer program!

Through a generous \$2,500 commitment, DTE Energy Foundation is kicking off this year’s Fill the Freezer program. Ebel’s General Store is our official butcher and processing partner. There are two ways that you or your organization can join DTE in supporting this meaningful program:

- Make a donation! Every dollar donated will help purchase another pound of meat and feed another guest at the Goodwill Inn.

- Come to the Livestock Auction on August 11! Join the bidding, purchase livestock and designate your purchase as a gift to the Fill the Freezer program.

By supporting Fill the Freezer, you can make a difference for two great local causes: feeding Goodwill Inn guests, and supporting young people in 4-H. You also will receive tax benefits for your donations.

To pledge support or learn more, please call Leah Bagdon McCallum at (231) 995-7719 or email her at leahm@goodwillnmi.org.

Visit YouTube, and search ‘Goodwill Inn, Fill the Freezer’ to watch a video about this program.

Good Jobs + Good People + Good Support = Success

Goodwill is pleased to announce the launch of our new Job Placement and Employment Support Services program. The effort is part of Goodwill’s Workforce Development initiatives to help disabled and disadvantaged Goodwill program participants gain and/or transition into meaningful, productive careers and provide area businesses with solutions to their employment needs.

Goodwill works with a diverse group of individuals that have various abilities, skills and backgrounds. Our goal is to work with employers to review employment opportunities, the benefits of hiring Goodwill program participants and available support services.

Once an individual is hired, we work with the employer to provide employment support to make the transition for the employee and employer more successful. Our services continue when necessary to help ensure the success of both the employee and employer.

Goodwill is looking for businesses that have positions that need to be filled with good, motivated people. If you have employment needs or would like more information on Goodwill’s free and innovative Job Placement and Employment Support Services program, contact Job Placement Coordinator, Ryan Thornbury at (231) 995-7725.

Social Security Disability and Supplemental Security Income Appeal Services Opens Gaylord Office

Goodwill is pleased to announce the expansion of its Social Security Disability and Supplemental Security Income appeal program to Gaylord. The new office is located at our Retail and Donation Center location at 1361 Pineview Drive, Gaylord.

The Gaylord office will serve Otsego, Emmet, Cheboygan, Alpena, Montmorency, Presque Isle, Crawford, Oscoda, Alcona, Roscommon and Ogemaw Counties.

This program has been in place in the Greater Grand Traverse Area for over five years, with services designed to evaluate, plan and assist individuals with their SSDI/SSI appeal process after their initial claim has been denied.

In order to qualify for SSDI or SSI an individual must have a physical or mental disability that precludes them from gainful employment. The physical or mental disability must be expected to last a continuous period of 12 months or longer, or be expected to result in death.

Goodwill's non-attorney representatives utilize their expertise with social security rules and regulations toward the goal of obtaining a favorable outcome to SSDI/SSI appeal claims.

To schedule an appointment call our Gaylord office at (989) 732-5250 or Traverse City office at (231) 995-7803. For more information visit our website at www.goodwillnmi.org/ssdi.

Food Donors Help Provide 12,000 Meals

Thank you to our awesome volunteers, partners and donors for the outpouring of support during the Goodwill Spring Food and Essentials Drive.

The food drive and food collections at the Cadillac, Gaylord and Petoskey Goodwill Stores collected the equivalent of 12,000 pounds of food. The food will be distributed to families in their time of need...putting 12,000 meals on their tables.

A special thank you to our sponsors for their support: Save-A-Lot Garfield Traverse City, 106KHQ, Lite 96.3, Mix 96, Fox 32 News, Belle Tire, Hansen Collision, Johnson and Associates Insurance, The Medicine Shoppe, Fletch's of Petoskey, Labadies Summer Casual Place, TCRV and Two Men and a Truck.

Eastern Elementary School Heroes Help Homeless

Mrs. Rogers with 4th grade class and Ryan Hannon

Fourth and fifth graders from Eastern Elementary School in Traverse City made donations to the Goodwill Inn and to Goodwill's new Homeless Veterans Transitional Living Community in Gaylord. These gifts were part of a six-month service project – Heroes In Our Community – wherein each grade learned about a different community or global need and then volunteered their time, talent and resources to make a difference for their particular cause.

Ryan Hannon, Street Outreach Coordinator, spoke with Mrs. Rogers' fourth grade class about the plight of homeless people in our community. The students made large, beautiful paintings of different homes from around the world. The paintings were then auctioned off, and students donated \$800 in proceeds to the Goodwill Inn.

Run for Shelter Raises Over \$5,000

We would like to thank everyone who put their best foot forward to help our homeless neighbors during the third annual Run for Shelter, held on April 16. Hundreds of runners and walkers participated in making this another successful event, raising over \$5,000 for the Goodwill Inn.

We would like to extend our appreciation to race directors, Karl Bastian of Greenlight Marketing and Bill Lancaster of Lancaster Photography for their enthusiasm and dedication. We would also like to thank our sponsors for their support: ABC 29&8, Alfie Embroidery, American Proficiency Institute, baabaazuzu, Benjamin Twiggs, Fast Physical Therapy, Grace Salon, Great Lakes Potato Chip Company, Greenlight Marketing, Jason Marshall Web Design, Jay Zelenock Law Firm, Lancaster Photography, Oleson's Food Stores, Oryana Natural Foods Market, Northern Express, Northwestern Bank, Running Fit, Team Elmer's and the Traverse City Track Club.

Wastin' Away on Grand Traverse Bay Beach Bash a Huge Success

Thank you Parrot Heads and everyone who partied with a purpose at the fourth annual "Wastin Away on Grand Traverse Bay Beach Bash," June 25 at the West Bay Holiday Inn.

The Goodwill Inn is grateful for the Parrot Heads continued enthusiasm and commitment to helping Grand Traverse area homeless individuals and families overcome homelessness. Over 1,000 people attended the event, enjoying the Margaritaville atmosphere, great entertainment and fun in support of the Goodwill Inn and Habitat for Humanity.

In Unity with Community Awards and Honorees

Goodwill Industries of Northern Michigan's In Unity with Community Luncheon and Honors Ceremony was held May 11 at the Hagerty Center in Traverse City. The luncheon was attended by over 160 community leaders and friends of Goodwill from Northern Michigan.

Melissa Smith, morning anchor for TV 7&4, acted as Master of Ceremonies. Doug Luciani, President & CEO, Traverse City Area Chamber of Commerce delivered a heartfelt keynote address of his personal journey to overcome barriers to independence and how his journey was not taken alone.

Goodwill was pleased to take this opportunity to honor and celebrate those we serve and to show our gratitude to our many partners and community members for their dedication and support.

Goodwill is honored to recognize the following honorees:

Jerry LaBreck

Graduate of the Year Award Winner

Jerry LaBreck and Cecil McNally, Goodwill Executive Director

Congratulations to Graduate of the Year Award Winner, Jerry LaBreck.

Jerry LaBreck, a former Workforce Development program participant and current Goodwill employee, is recognized for his achieved success and independence.

"When I was released from prison, I worked with the Michigan Prisoner ReEntry Program through Michigan Works!. I told my case manager I needed to get a job, and she mentioned Goodwill. I was referred to Goodwill for a 90-day employment training program," said LaBreck.

"I was applying myself the best I could. I knew it was only for 90 days, so I was not expecting to get any further," he added. "However, the right people work at Goodwill, and I was hired into the maintenance department. My job keeps me busy, keeping the store, office areas, break room and exterior clean."

continued on page 8

Teresa Roggow

Achiever of the Year Award Winner

*Teresa Roggow and Cecil McNally,
Goodwill Executive Director*

Congratulations to Achiever of the Year Award winner, Teresa Roggow.

Teresa a domestic violence survivor, former Goodwill Inn guest and Housing Support Services participant is recognized for her significant progress and achievements.

Teresa turned to the Goodwill Inn after leaving a violent relationship. Roggow said "I was starting over in my life with nothing. I needed to find housing and a job. I was at the Inn for a year, first in emergency housing and then in a transitional housing program.

While Teresa was at the Inn, she participated in a six-month transitional employment program at the Goodwill Retail Store. At the conclusion of the program, Roggow was hired as a regular employee and from there, with the help of Housing Support Services program and the Foundation for Mental Health, was able to move into her own apartment.

"Being on my own gives me the ability to enjoy life and my independence," said Roggow. "I also have transportation that I did not have before. If the Inn and Housing Support was not there it would have taken me a lot longer to find housing, employment and the confidence that I have now."

Julie Olson, Housing Support Services Case Manager said, "My role with Teresa was to help her transition from the Inn into her own housing. I was always so impressed with her determination — her will and how she continued to do things to move forward even when they were not easy for her.

"It has been a real pleasure to work with Teresa," continued Olson. "It has been a great experience seeing her grow, gain more confidence over time and make things work. She has such an amazing spirit and determination that are really inspiring. I am very proud of Teresa and can't think of anyone more deserving of being the Achiever of the Year."

Roggow added, "Before I was hopeless because I had to start over, and now I am independent and confident because I have a paycheck and I'm living on my own. Thank you Goodwill Inn and Housing Support Services for helping me get my life back on track!"

Jerry LaBreck...continued

Pam Cuthbert, Program Director had nothing but praise for LaBreck. "I knew the minute that I met Jerry that this was someone who would probably end up being a permanent team member with Goodwill. I think the longer that Jerry is here at Goodwill — the more he gets to know people, and he gets to know how valued he is — I don't think there is any stopping him from continuing to grow and being a much better person.

"The goals that Jerry has for himself right now are exceptional, Cuthbert continued. "This is a man who spent some time in prison... he was sleeping in his car and from there he has gone to have his own apartment and is a Goodwill employee. He is meticulous in the things he does and prides himself with, and other people truly notice and appreciate him. I can't think of a more deserving person to receive the Graduate of the Year honor."

LaBreck added, "I am now a lot better off than I was. Since I came to Goodwill, I have my own place and lots of friends. I enjoy my work, pay my own rent and bills. I feel like I am worth more than I was before. I would like to thank Goodwill for the opportunity that they gave me and for making my life better."

Agency Partner Honorees

These honorees were recognized for their partnership with Goodwill, exceptional leadership and commitment to changing lives.

Gaylord Area Community Meal Program

The Gaylord Area Community Meal program is a non-sectarian, cooperative project developed by several Gaylord area partner organizations. They generously welcome all walks of life to enjoy a FREE meal with no "eligibility criteria." For some people attending the meal program, it is one of the few nutritious meals they may eat during the week. They provide approximately 3,900 meals annually!

Michigan Works! Gaylord Office

The Michigan Works!, Gaylord office and the Gaylord Goodwill Retail Store partner to provide over 50 work opportunities annually through a variety of programs, including Work Experience program candidates and Michigan Prison Re-entry Program participants. Together they provide work experience opportunities to help clients build new skills and improve opportunities for permanent employment.

Nurse Triage Clinic – Traverse Health Clinic/Munson Home Health

Traverse Health Clinic and Munson Home Health have come together to provide the Nurse Triage Clinic for Goodwill Inn guests. The Nurse Triage Clinic is staffed by volunteer nurses and provides Inn guests with basic medical care. The outstanding care the nurses provide ensures that medical needs are met quickly and treated appropriately, resulting in fewer major medical problems and fewer trips to the emergency room to some of the most vulnerable individuals in our community.

Community Partner Honorees

These honorees were recognized for their exemplary spirit of community and collaboration.

Huntington National Bank

Huntington National Bank has long been a supporter of Goodwill. Most recently they stepped up as "sponsors" of a successful grant application to the Federal Home Loan Bank of Cincinnati Affordable Housing Program for the new Gaylord Veterans Transitional Housing Community. The \$360,000 in funds will provide gap financing and help reduce the cash match required of Goodwill in the construction of the new 24-bed project.

Dan Brady Painting and Restoration

Dan Brady Painting & Restoration rallied community volunteers from every walk of life to paint the interior of the Goodwill Inn. They placed volunteers in teams based on their skill sets and experience, provided a heartfelt and touching orientation to the day's mission before them, and led throughout the day. Dan and his crew fully committed to minimizing disruption of daily life for the Inn guests. The project was completed in record time with flawless precision, professional quality and a warm, welcoming feeling that said loudly to each and every guest, "Your community cares!"

Community Partners...continued

Run for Shelter

Karl Bastian, Greenlight Marketing and Bill Lancaster, Lancaster Photography

Karl and Bill turned their running passion into a cause when they founded Traverse City's "Run For Shelter" 5K run/walk three years ago to benefit the Goodwill Inn. Over the past three years Run for Shelter has increased awareness of the Goodwill Inn, raised \$20,000 and ultimately ensured that on the night they needed it most, 800 families, men and women had shelter and a safe place to live.

Pictured from left to right: Karl Bastian, Cecil McNally, Goodwill Executive Director, Bill Lancaster

Un-Sung Hero Award Honorees

These honorees were recognized because their work affects a Goodwill program or persons, we serve and positively impact lives throughout the community.

The Jubilee House

The Jubilee House is a day drop-in center for those experiencing homelessness on the streets of Traverse City. This outreach ministry through Grace Episcopal Church provides a warm, safe place for people to go during the day and the resources for many things that we might take for granted like laundry facilities, showers, snacks, telephone, and mail service. The program and the volunteers offer dignity, compassion and outstanding care for some of the most vulnerable people in our community.

Selestial Soap

Selestial Soap co-owners Ruth Smith and Jim Legato developed a line of high quality, environmentally friendly laundry and cleaning products that are made locally from all natural products. They have generously been providing laundry soap to the Inn and other non-profits in the area that not only do an amazing job but also extend the life of the well-used laundry equipment. Their donation ultimately ensures high standards of hygiene and cleanliness, self-esteem and dignity to the clients of many programs.

Eastern Elementary School Heroes Help Homeless...continued

Mrs. Nelson's fifth grade students visited with two World War II veterans from Traverse City: Mr. Rizzio and Mr. Wibby. The students heard first-hand accounts of WWII combat, and forged great friendships with two local heroes. To show their appreciation to Mr. Rizzio and Mr. Wibby, the students hosted a Veterans Ceremony and made a \$200 donation in their honor, to help build Goodwill's Homeless Veterans Transitional Living Community.

Thank you to the Eastern Elementary fourth and fifth grade students!

Todd McMillen and Mary Stanton

Todd McMillen

Mary Stanton Award Winner

The Mary Stanton Award recognizes a special individual who personifies the spirit of Goodwill and Goodwill's mission to help people overcome barriers to independence. This award reflects a person who is a Goodwill ambassador to the community at large, is dedicated to serving those in need and who understands that it is better to give than to receive.

We are pleased to honor Todd McMillen as our Mary Stanton Award winner. Todd puts his words into action not just for Goodwill but throughout the community. He is a living example of how one person can make a significant impact on the lives of others.

Todd relates to the difficulties our homeless neighbors face and has rallied support from his constituents and contact circles. In over six years of volunteer service here at Goodwill, he has teamed with others to generate thousands of dollars to benefit the recipients of Goodwill Inn programs and services.

John Daniels and Cecil McNally,
Goodwill Executive Director

John Daniels

Volunteer of the Year

John Daniels is recognized for his selfless volunteer efforts and positive impact on the people served by Goodwill.

Daniel's warm and engaging character and genuine belief in the worth of every human being shines through as he reaches out to resident guests through his volunteer work at the Goodwill Inn.

Daniels has an amazing gift for "Relationship Building", bringing new hope to guests. Even in the most demanding arena, John can bring polar opposites together, each individual walking away a winner and feeling valued, valuable and respected. He has empowered so many and challenged them to look deep inside themselves to identify and grow their own unique gifts. John has shepherded the development of a Home-Sweet-Homelessness game initiative and has been tireless in his devotion to empowerment and esteem building as he leads groups at the Inn.

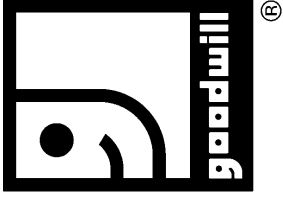

Ryan Hannon

Employee of the Year

Ryan Hannon, Street Outreach

Goodwill is lucky to have an employee like Ryan Hannon. Ryan coordinates the Street Outreach Program, serving those who are experiencing homelessness on the streets. However, this is more than just a job for Ryan; it is a way of life. Ryan's passion for his work and his kindness for those he serves come through in all that he does. Ryan also works closely with the other community service providers and with the faith-based community to coordinate services needed by homeless people. In providing services to a very vulnerable, often marginalized population, Ryan works hard to form meaningful relationships. These relationships are what have helped to move people from street homelessness into housing. Ryan's caring, compassionate ways truly exemplify the mission of Goodwill, and we are proud to award him the honor of Employee of the Year.
