

Feeding Independence in Northern Michigan

Goodwill Inn Emergency Meal Program

Most Wanted List

The Goodwill Inn Meal Service Program provides nourishment for the homeless and our community's hungry. Through a 24 hour emergency meal program, everyone that comes to the Inn in need is fed – no matter what time of day. This program is a safety net that ensures that our community's most basic needs are met. In providing this service, the Inn goes through many staple ingredients in the creation of healthy, scratch cooked meals. Generous community members come together to help offset these costs through donations of food and support. In an effort to inform donors, the following is a list of food items most needed at the Inn:

Butter
Flour
Sugar
Cooking Oil
Cereal
Coffee
Kosher Salt
Tomato Paste

Applesauce
Black Beans
Chili Beans
Penne Pasta
Brown Rice
Spaghetti
Quinoa
Cheese
